Victim GOOD SAMARITAN MINISTRS	Offense THEFT OTHER	Date / Time Reported Thu 02/21/2019 14:42

On 2-21-19 at 1442 hours, I was dispatched to 283 SW Port St lucie blvd in reference to a possible strongarm robbery. The complainant advised a black male took money from this location and fled toward a white jeep and was last seen heading north on Sw Bayshore blvd.

I arrived on scene and met with a witness named Daniel who gave me an updated suspect vehicle description of a white older model possibly 2000's Ford Explorer with a missing front bumper. Daniel stated that he was waiting on a haircut when he saw a female and a black male run bye so he exited the barbershop and saw what appeared to be the Black male jumping in the back seat of the explorer before it takes off squealing its tires. Daniel stated that before this incident occurred the same vehicle pulled up next to him and a white male driver said "Hey" and then began to circle the parking lot. Daniel described the white male to be young with black hair but could not provide a clothing description.

I then made contact with Colleen Jackson with Good Samaritan Ministries. Colleen stated that she was working at a table in front of the Dollar store collecting donations for the ministry. While collecting donations Colleen noticed a young black male possible 18 to 20 years old wearing a black hoodie pacing from the barbershop to Winn Dixie. Colleen stated that she was talking with a customer when this same black male grabbed the donation jar and then ran west towards the end of the shopping center and jumped into a white older SUV. Colleen stated that after he grabbed the jar she chased him to the vehicle and grabbed onto the vehicles window. Colleen stated the vehicle began to take off and she let go before doing so. Colleen provided a vehicle tag of 6951PG. Colleen advised there was approximately 58.00 inside the donation jar.

I also spoke with Sandra Phillips who also works with good Samaritan Ministries. Sandra stated that she was inside Winn Dixie at the time this incident occurred. Sandra advised that when she came out of the store the table she was working at was flipped over. Sandra was made aware what happened and given the description of the suspect. Sandra stated that prior to her going inside she asked the same male if he wanted to donate to the Ministries. Sandra described the male to be 5'6, 19 to 23 years old with a thin build, wearing a black hoodie sweater.

I ran the tag that Colleen gave to me and it came back with no vehicle information and is registered out of Jacksonville Florida. Officer Zamoyski conducted a canvass of the area and obtained video from the dollar store. In the video the suspect is only seen from the waist down and nothing of his face. In the video the suspect walks bye wearing shorts with red flip flops. The video was unable to be formatted during this shift and will be submitted at a later time.

A BOLO was issued and search of the area was completed yielding negative results. Statements were obtained and submitted from all parties. I have no other suspect information at this time. I will complete a supplement when the video is submitted. Due to the fact the jar was taken from the table, this case was reclassified as a theft.

Black male.  
NARRATIVE: A 18-20 yr old male was pacing from barbershop to Winn Dixie. He had blk hoodie on. He came from Winn Dixie grabbed the packet and ran to the west end of shopping center and jumped into the back seat of a white older SUV. I then grabbed onto the window the 3 boys laughed at me and began driving away with me hanging onto the window. I then decided it was in my best interest to let go rather than get run over. They sped away and headed North on Boyshoer Rd. I did chase him all the way down the sidewalk all the way down to his vehicle.
